

TAILORED PRODUCT SOLUTIONS FOR THE RESTAURANT & BAR INDUSTRY

Keeping your restaurant & bar prospering can seem like walking on a knife's edge. In order to keep that customer coming back for more, we know you need quality and protection. Our handpicked team of restaurant and bar professionals have years of practical experience. We know the challenges you face and the unique risks of your operation from food borne illness and allergens to liquor liability and the potential kinks in supply chain.

They require skill, determination and our depth of industry knowledge.

You want every meal served at your restaurant to be perfect for your customers. From the time the fish is caught and cleaned, transported and cooked, to the moment it is finally served, every step needs to be guided and protected. However, we all know, all-too-well, the challenges that can be faced along the way of the supply chain. At Profound Specialty Programs, our team of insurance specialists shares your passion for food service. With insurance programs tailored to meet the needs of your restaurants, we can help protect your customers and the reputation of your business.
